

MANUFACTURERS REPRESENTED

Air & Gas Filtration Products

Custom Air Handling Units

Packaged Terminal Air Conditioners (PTACs)

Heat Recovery and Custom Heat Recovery Equipment

Industrial & Marine Corrosion Protection

Electric Duct Heaters
Unit Heaters
Gas Detectors

Fixed Core Energy Recovery products

Venturi supply and exhaust valves

VRV IV-S Multi-FCU Air Cooled Heat Pump Systems
VRV IV Multi-FCU Air Cooled Heat Pump Systems
VRV IV Multi-FCU Air Cooled Heat Recovery Systems
VRV-WIV Multi-FCU Water Cooled Systems
100% OA Processing Units
Single FCU Mini Split Systems (Cooling & Heat Pump)
Multi-FCU Mini Split Heat Pump Systems

Package Rooftop Units
Air Cooled Condensing Units
Air Cooled Scroll Chillers (30-225 Tons)
Air Cooled Screw Chillers (160-560 Tons)
Water Cooled Centrifugal Chillers (150-2,300 Tons)
Water Cooled Mag Bearing Cent Chillers (150-1,500 Tons)
Water Cooled VFD Screw Chillers (120-300 Tons)
Water Cooled Scroll Chillers (30-180 Tons)
Water Cooled Centrifugal Templifiers
Indoor Modular and Semi-Custom Air Handlers
Rooftop Modular and Semi-Custom Air Handlers
Horizontal & Vertical Fan Coil Units to 3,000 CFM
Rooftop Commercial & Applied Type Package Units
Rooftop 100% OA Units with Mod Hot Gas Reheat Coil
Self-Contained DX VAV Vertical Water-Cooled Units
Water Source Heat Pumps
Chilled Water Classroom Unit Ventilators

Unitary & Light Commercial Package Rooftop Units
Unitary & Light Commercial Air-Cooled DX Split Systems

Variable Frequency Drives (Inverters)

Desiccant Dehumidifiers (50-30,000 cfm)

Single and Multi-zone Ductless Split Systems
Chilled Water Air Handlers (2-pipe and 4-pipe)

Variable Air Volume Terminals
Blower Coil Vertical and Horizontal
Semi-Custom Fan Coil Units
Semi-Custom Vertical Stacked Fan Coil Units

Field Erected Fiberglass & SS Cooling Towers

Single and Multi-zone Ductless Split System
Single Packaged Vertical Air Conditioners (VTACs)
Packaged Terminal Air Conditioners (PTACs)
Variable Refrigerant Packaged Heat Pumps

Refrigerant Gas Monitoring Systems
Alarm Indication Equipment
Notification / Warning Signage
Self-contained Breathing Apparatus & Accessories

Electric Duct Heaters

Air Rotation HVAC Systems

Double Skinned Air Handling & Fan Coil Units

Custom HVAC Systems

ElectroFin® Heat Transfer Coatings
Insitu® Coil & Cabinet Protection

Hydronic Specialty Products

MANUFACTURERS REPRESENTED

Skyplume Laboratory Exhaust Fans
FRP Centrifugal and Axial Fans
Scrubbers and Scrubber Fume Hoods
Perchloric Acid Exhaust Systems

ECM Fan Arrays (Factory or Field Assembled)

REVERSOMATIC
MANUFACTURING LIMITED

Commercial & Industrial Exhaust Fan & Systems
Energy Recovery Ventilators (ERVs)

REYMSA COOLING TOWERS, INC.

All fiberglass cooling towers (direct or gear drive)

Energy Recovery Equipment with DDC Controls
Chilled Beams with a variety of configurations
Chilled beam pump modules
Fire and acoustical panels, acoustical silencers

Packaged Condenser Water Pumping Systems

Electric Duct Heaters

Plate frame heat exchangers

Ultra Violet Light Systems

Floor, Hanging and Neoprene Pad Isolators

We furnish equipment, parts, service and training for all commercial, industrial, and institutional heating, ventilating, and air conditioning systems
